

AN EXAMINATION OF CONSCIENCE

FOR CHILDREN

- Are there some times when I make something or someone else more important than God?
- Are there some times when I talk about people or to people and forget that they, too, are loved by God?
- Are there some times when I forget to pray and give thanks to God?
- Are there some times when I disobey my parents and do not give them the respect that they deserve?
- Are there some times when I treat some people as if they aren't really worth that much?
- Are there some times when I treat others as things and not as people?
- Are there some times when I take more than my share, leaving others with less, Or maybe even nothing at all?
- Are there some times when I tell stories about others that aren't true?
- Are there some times when I am jealous of what others have and I don't?
- Are there some times when I think that all I really have to do is avoid being bad instead of trying to be good?
- Are there some times when I forget to be like Jesus?
